

Grin Reaper™ Cargo Staff

You might ask, “Why is the Reaper grinning?” He finally found a Staff that measures up! Plus, it is of rugged industrial grade quality that will last a long, long time.

Each staff is made of (2) pieces of a telescoping tee track aluminum square tube with a top tee track rail. The hook is a solid bar of 1/4 x 1” aluminum extending out 36” and is stabilized by an unintrusive back corner gusset bar,

Features include:

- 1.0 Adjusts form 5’ 4” to 15’ 2”. Includes metric rule 162 to 462 cm.
- 2.0 Has fixed track stops to prevent overextending.
- 3.0 Has 2 locking knobs per rail to provide firm stability.
- 4.0 Read rule at eye level. Can lock and read.
- 5.0 All parts are rustproof.
- 6.0 Weight: 8 lb 14 oz.
- 7.0 Collapse to a compact 1”x 2 1/2 x 65” length.
- 8.0 Comes with a black ballistic nylon carry case with convenient shoulder strap.
- 9.0 A Hook and Loop strip retains the extension bar for storage.
- 10.0 No tools required.
