Infant Measuring Tape

Order: #IMT-BL030L-PL

These measuring tapes are an ideal memento for new parents. Information can be recorded on the tail end leader for a permanent keepsake that can be cherished forever. Just use a standard ball point pen for writing. They can also be used for multitasking in other departments.

Tapes are 8 mils thick by 3/4" wide and 37" long made of a durable yet flexible white plastic (polyethylene) that is soft to the touch and printed with a permanent waterproof ink. You can elect to have them private labeled with one or two ink colors for a nominal one time art work cost of only \$50.00. You can even choose to have a split order of "Pink" and "Blue" selections made!

As shown, the Infant Measuring Tapes usually come prepackaged in counts of 50 in clear poly tube bags. Other counts optional. Shipment weight is 3/4 LB. / 100 tapes. ORC manufactures the tapes with 100% of its material made in the U.S.A. and are OSHA and RoHS compliant. MSDS sheets available upon request.
